CLASS-II
SUMMER VACATION HOME WORK**

Session 2024-25

Integrated Project

Aligned with NEP guidelines, we're implementing integrated project-based learning wherein students will prepare project for all the subjects united by a common theme. This approach fosters a deeper grasp of subject matter and illuminates connections between diverse areas of study.

Dear parents and Students,
Greetings!!

As you are aware, our theme for the Project of the entire academic year is "**Exploring Community Helpers.**" Based on this theme, we have designed your holiday homework. We embark on a fascinating journey to explore the world of community Helpers. Through engaging activities and tasks, we aim to deeper our understanding of the invaluable roles played by various community members in our society thrive.

General Instructions

1. **Project Setup**-Create a handmade folder(using newspaper/chart paper) on "Community Helpers" . Decorate the folder by drawing, coloring or pasting the pictures related to it. Keep everything in one folder for easy organisation.
2. **Creative Ideas**- Use your imagination! Draw pictures and use materials in fun ways to show how community helpers make our lives better.
3. **Your Own Work**- Do most of the project by yourself. Parents can help explain things, but let your ideas and handwriting be the star.
4. **Step-by-Step**- Follow the order given to talk about different helpers like doctors or firefighters. This makes your project clear and easy to read.
5. Parents are requested to download Padlet link to upload photographs and videos that is given at the end of the homework.
6. **Due Date**- Finish and turn in your project by 1st July 2024.
Have fun and show how awesome our community helpers are!

Note:

- * **Holiday homework will be assessed in co-scholastic areas and grades will be awarded for the same in progress report.**
- * **Revise Syllabus of all the subjects for Assessment-1.**

Things To Do Daily-

1. Every morning after having a bath start your day by chanting "Rudraastakam".
2. Do the following activities-
 - * Greet everyone and use magical words.
 - * Get up early and sleep early.
 - * Wash your hands before and after your meal. Rinse your mouth after your meal.
 - * Drink plenty of water.
 - * Follow table manners while eating.
 - * Respect other's opinion.
 - * Offer help to others in need.
 - * Give positive compliments to others.
 - * Respect your elders and listen to them.
 - * Set aside a special time every day just for reading your favorite books! Whether it's afternoon or before bedtime, finding a cozy spot with good light makes your reading adventure even more fun.
 - * Practicing English daily with family and friends during summer break can be fun and beneficial. Use diverse vocabulary, learn new expressions, and enjoy the learning journey together!
 - * Be punctual. Put away technology at meal time and conversation.
 - * Water the plants and put a bowl of water for birds on your terrace or balcony.

Celebrating father's Day : Our Everyday Hero -Let's create something special for our dads! Make a creative bookmark and write a beautiful message to show your love and care.

"Book Magic : Where every page Holds a Surprise!" As we approach this special time of the year, we encourage you to engage in activities that not only bring joy but also foster learning and creativity. One such activity is reading storybooks together, which can create lasting memories and promote a love for reading.

Read your favorite stories and make a detailed "Mind Map" on any one of them.(on A4 size pastel sheet)

The image shows a 'Story Map' template. It consists of several rectangular boxes connected by dashed lines, forming a map-like structure. The boxes are labeled as follows:

- Story Map** (written in a stylized font at the top left)
- Title:** (top right)
- Characters:** (middle left)
- Author:** (middle right)
- Illustrator:** (middle right, below Author)
- Setting:** (bottom left)
- Problem:** (bottom middle)
- Solution:** (bottom right)

Dashed lines connect the boxes: Title to Author; Author to Illustrator; Characters to Author; Setting to Problem; Problem to Solution; and a line from the bottom left corner of the Solution box to the bottom left corner of the Setting box. There is a small 'X' mark at the bottom left corner of the Solution box.
