SUMMER VACATION HOME WORK

Session 2024-25

Integrated Project

Aligned with NEP guidelines, we're implementing integrated project-based learning wherein students will prepare project for all the subjects united by a common theme. This approach fosters a deeper grasp of subject matter and illuminates connections between diverse areas of study.

Dear Student

Greetings!!

As you embark on your well-deserved holiday break, we are excited to present you with an engaging assignment that explores the vital issue of gender equality while aligning with one of the United Nations' Sustainable Development Goals, specifically Goal 5: **"Achieve gender equality and empower all women and girls."** This assignment is designed to empower you with knowledge and awareness about gender equality, a fundamental principle for creating a fair and just society. By aligning with SDG 5, we aim to connect your learning with global efforts towards achieving gender equality and empowering women and girls worldwide.

General Instructions

1. Integrated project of **"Achieve gender equality and empower all women and girls."** shall be done on A4 size sheet and further to be compiled in single project file.
2. Credit will be awarded to original drawings, illustrations and creative use of materials
3. All homework should be handwritten (except computer) and neatly done.
4. The homework should entirely be done by the child. Parents can only guide, if required.
5. The work needs to be done in the same sequence as mentioned.
6. Students are required to submit their folders of holidays H.W on 1stJuly,2024.

Note:

- * **Holidays home work will be assessed in co-scholastic areas and grades will be awarded for the same in progress report.**
- * **Revise Syllabus of all the subjects for Unit Test-1**
- * **Upon your return to school after the vacation, you are asked to bring plastic waste collected during vacation as part of our sustainability initiative. Students who will participate enthusiastically in this endeavor will be felicitated with a certificate of appreciation for their dedication to creating a sustainable future.**

Theme : "Achieve gender equality and empower all women and girls."

- **A Reflective Journey through a Workshop Experience**

You attended a captivating gender equality workshop at school. Describe your experience in a diary, starting from your excitement before the workshop to how you felt during the activities and discussions. Reflect on what you learnt about fairness and equality for everyone, regardless of gender. Compare your thoughts before the workshop with your current understanding and explain how the workshop has changed your perspective.

- **Brochure: A Guide to Gender Equality**

Design a brochure that talks about why it's important for everyone in your community to be treated fairly, no matter their gender. Explain what gender equality means and give some ideas for how people can make sure everyone feels included and respected. (Your brochure should include the key points like:

Definition of Gender Equality, Importance of Gender Equality, Challenges and Inequalities, Myths and Misconceptions, Strategies for Promoting Gender Equality, Celebrating Diversity, Call to Action etc.)

Make your brochure more attractive by adding beautiful pictures or drawings that show how our community includes people of all genders equally.

The Branches -The effects

The Fruits - Possible Solutions

- **Case Study:**

Sarah is a talented high school student with a passion for mathematics and problem-solving. Despite her interest in pursuing a career in engineering, she faces discouragement from her family and peers who believe engineering is a male-dominated field unsuitable for women. Sarah's parents urge her to consider more "traditional" career paths for women, such as teaching or nursing. Determined to follow her passion, Sarah seeks guidance from her school counsellor and female engineering professionals in her community.

Questions:

- (a) How do you think societal norms and expectations influence Sarah's career aspirations in engineering?
 - (b) What specific challenges might Sarah encounter as a young woman aspiring to enter the male-dominated field of engineering?
 - (c) In what ways can Sarah's family and peers either support or hinder her pursuit of a career in engineering?
 - (d) How might Sarah's interactions with her school counselor and female engineering professionals impact her decision-making process?
 - (e) Reflecting on real-life examples or experiences, can you provide instances where individuals have successfully pursued careers in fields traditionally dominated by the opposite gender?
 - (f) What lessons can be learned from their experiences?
 - (g) What strategies can Sarah employ to navigate societal expectations and pursue her passion for engineering despite the gender-related obstacles she may face?
- What are some significant milestones in the history of gender equality movements worldwide? Choose one milestone and describe its impact on society at the time and its legacy today. How do these movements contribute to shaping laws, policies and cultural attitudes towards gender equality?
 - भारत की किन-किन जनजातियों में महिला सत्तात्मक समाज की स्थापना की गई, इनसे संबंधित महिलाओं के अधिकारों पर संस्कृत में पांच सचित्र स्लोगन बनाइए ।
 - Pourquoi la parité entre les sexes est-Elle importante dans tous les aspects de la société?
Pouvez -Vous nimmer trois exemple de situations Qù les femmes sont désavantages par rapport aux Hommes?
 - Create a **PowerPoint Presentation** that explores how technology can be used to Empower Woman economically.
